

HAPPY FEET SPONSORSHIP

THE HAPPY FEET PROGRAM

Since 2006, **Ovariations for the Cure of Ovarian Cancer** has been committed to one program that has already touched the lives of over 3,000 women and will undoubtedly help many more. **Happy Feet** is a program that provides patients with a pair of specially-designed Stuart Weitzman slip-ons jeweled with teal Swarovski crystals. The shoes are free to patients and survivors as a way of helping them in their roads to recovery. These women have already paid a heavy price—we'd like to help them feel comfortable in their returns to health.

PUT SOME SPARKLE IN THEIR STEPS

Ovariations asks for your help to sponsor Happy Feet recipients, as requests for these shoes are coming in every day. Help us put some sparkle in the steps of these women—**sponsor Happy Feet today!**
